Talofa to everyone, and Manuia le Tausaga Fou!

I have been putting this off for quite a while, for various reasons. I've been busy. Yes that happens often, but not all the time. This is also something new, which can create some anxiety. And I have some big shoes to fill. My dad, Tautai, is an institution. He has done so much, knows so much, and has had so many different experiences in life. And he's been the voice of Coconuts for the last 30 years, that's a long time. Now, you're stuck with me, Brian Rose, son of Barry.

There has certainly been a lot going on at Coconuts since the last newsletter in 2015. Actually too much to cover in the typically short form newsletter that everyone is familiar with. Rather than try to sum everything up hyper concisely I'm going to take the easy way out, and ask that you read the latest installments of the "Coconuts Story" which can be found on our website <https://cbcsamoa.com/the-resort/the-coconuts-story> Doing so will bring you up to the end of January of 2019 (if you scroll down to the very bottom of the page).

There are always new and exciting things going on at Coconuts, so if you want to get more frequent updates, I invite you to like and follow our Facebook page <https://www.facebook.com/Coconuts-Beach-Club-Resort-Samoa-63558389788/>

We hope to see everyone here soon, so you can see and experience the many new improvements that have evolved since your last visit. Your Samoan family (all of our Coconuts staff) wish you a happy, healthy, and blissful new year!

Warm Samoan regards,

Brian Rose, Tautaimatapalapala (Barry), Faletua Palepa (Barbara), Onolina (Lina)
